★Overnight stay is until 9:30AM (Overnight stay extension:+500yen ~til 12:30 and +1000yen~till 4:00PM)

Please report any nuisance behavior (We may ask you to leave the site.)
(such as cars left unattended in the woods,music or noise,late-night wood chopping..etc.)

【Check when setting up the tent !】

- ☆Is your tent in the path of rain?
- ☆Check for fallen trees and high branches.
- ☆In high winds, set up in a site out of the wind (tie to a tree for reinforcement)
- ☆Fly should be taut so that it does not touch the main body.
✂This can cause flooding in the event of rain.

【Make cooking area and kamado clean as they were before】

- ☆Use filters for leftover and do not flush
- ☆wash rented items before you return them.(For iron plate, please wash both side)
- Put used charcoal in the charcoal bin. Clean the kamado. Do not mix vegetables, paper, cigarette butts, etc

【DO NOT!!】

- move or dismantle Kamado!
- bonfires under the tree.They may burn.
- take any insect, fish, or other living creatures
- burn woods or branches in the cabin.

Take your garbage with you

Check your belongings before you leave !

- ★In case of emergency, strike the half bell located in the riverside (life preservers are available).
- ★Use a heat-resistant sheet for the fire pit.(Rental available for 300 yen.)
- ★Shelter, rest house and office reception area are available for use during evacuation.
- ★Please feel free to use the microwave and water heater in the rest house.
charging Cell phone is allowed under your own supervision

【Beware of wildfires!】

Especially dry and strong wind days】

- ☆No smoking (you can smoke in designated area next to the office.)
- ☆Grass and fallen leaves can catch fire and especially dangerous
(Remove fallen leaves and dead grass around the Kamado or sprinkle water)
- ☆On high wind days, use the kamado located under the kitchen
- ☆Stay close to the fire. There is a danger of fire starting from the seed fire.
- 【How to interact with animals !】**
If animals learn to eat our food, this area will be in trouble!
- ☆Never leave food or leftovers in the cooking area.
- ☆Put food and bags in boxes at the site.
At night, take food and garbage to your car, not to your tent.
- ☆After dark, do not go out if not necessary.
It's a good idea to carry bells small enough not to bother others.
- ☆Do not feed the monkeys.
- ☆Be quiet when you encounter them! Move Slowly and hide behind trees, stones, and buildings.
